

Návod jsme navrhli a zkontrolovali v počítači: každý dílek v něm existuje a každý krok jde postavit. Z kostek jsme ho ale zatím nestavěli, proto ho dáváme zdarma a bez záruky. Kdyby vám něco nesedělo, napište nám, rádi ho opravíme.

Designed and checked digitally (every part exists, every step can be built), but not yet test-built in real bricks, so it comes free and without warranty. If something doesn't fit, let us know and we'll fix it.
